ORGAN DONOR NIGHT JULY 30, 2009

BE A HERO!

More than 100,000 Americans are waiting for life-saving organ transplants. Thousands die needlessly each year because there aren't enough donors. You can be a hero and save up to 8 lives and improve the lives of 50 others by deciding to be an organ and tissue donor. It only takes a couple minutes to sign up on the Donate Life California Organ & Tissue Donor Registry. Join the 5,000,000 Californians who have said "Yes!" to donation!

STILL HAVE QUESTIONS? HERE ARE THE ANSWERS!

WHY SHOULD I SIGN UP ON THE REGISTRY?

It's the one, sure way to let your donation wishes be known, now and in the future. And it will relieve your family of the burden of deciding on your behalf, should the time ever come.

ISN'T THE PINK DOT ON MY LICENSE ENOUGH?

If your license has an embedded pink dot (one that doesn't fall off), then it means you're signed up to be a donor. If your license still has the old pink sticker, it's not legally binding. If you wish to donate, you should sign up online at www.donatelifecalifornia.org (or www.donevidacalifornia.org).

DONATE LIFE CALIFORNIA ONLINE REGISTRY

WHY IS DONATION SO IMPORTANT?

Nineteen people die every day because there aren't enough organs, and that number continues to grow. Many people also benefit from tissue donation, which includes corneas (eyes), skin for burn victims, and bone and muscle for those undergoing knee or back surgery.

WILL MY INFORMATION ON THE REGISTRY BE KEPT CONFIDENTIAL?

Absolutely! Many safeguards have been provided to ensure confidentiality.

HOW DO I SIGN UP?

If you live or work in California, you may register online at www.donatelifecalifornia.org, or www.donevidacalifornia.org. You can also sign up easily with the Department of Motor Vehicles (DMV) when you renew your driver's license or I.D. card.

DID YOU KNOW...

...that the act of donation is consistent with the life-preserving traditions of every major religion? Donor families incur no expense for donation. Donor families tell us donation helps their grieving process. Make the commitment today to give the gift of life.
